FOR IMMEDIATE RELEASE

IAPD Welcomes New Member Dotmar Engineering Plastic Products Group

OVERLAND PARK, KS – The International Association of Plastics Distribution (IAPD) is pleased to announce that Dotmar Engineering Plastic Products Group, a distributor, has joined the association. Headquartered in Sydney, NSW, Australia, the company has nine branch locations across Australia and New Zealand. Established in 1967, Dotmar Engineering Plastic Products Group focuses on the application of thermoplastic materials in engineering, along with distribution, application solutions and custom engineering. Additional information is available at www.dotmar.com.au and www.dotmar.co.nz.

“I am pleased to welcome Dotmar Engineering Plastic Products Group as a new IAPD member,” said IAPD CEO Susan E. Avery, CAE. “IAPD represents the plastics distribution supply chain and most importantly, champions the use of plastics in applications and distribution as the way to market. Companies who are admitted to IAPD as full members of the association must evidence their commitment to the plastics distribution supply chain. The association will be their essential source for networking, training tools, education, information and insight. Through IAPD, they will have access to the thought leaders in the plastics distribution industry.”

“Dotmar is honored to be become an IAPD member. We see the membership as a focus point for our organization to bring superior education, industry information and supply chain contacts to both our clients and staff,” said Dotmar Executive General Manager Kevin Stainer.

About IAPD

The International Association of Plastics Distribution (IAPD), established in 1956, brings together distributors, fabricators, manufacturers, manufacturers’ representatives, recyclers and service providers in an environment which encourages a free flow of ideas and information that help members build their businesses. Every program and service we provide is designed with the simple goal of helping our members increase profitability. Membership in IAPD is an affordable business investment. IAPD provides training, connections with customers and suppliers and information about developments that impact the industry. What makes IAPD unique is a commitment to educating customers and other key end-users about plastics. In other words, IAPD works with members to build the demand for plastics. Central
