**CONFIDENTIALITY DISCLOSURE AGREEMENT
For the IAPD Market Data Research Project**

Marr and Company, P.C. has been engaged by IAPD to perform an analysis of responses received for the market data research project. The company information provided in the IAPD Market Data Research Project will be kept confidential and only be reported back to IAPD in the aggregate.

Company names from respondents will be disclosed to IAPD to notify the association for who has responded to the survey. Any market data responses specific to an individual company will **not** be disclosed to IAPD.

Marr and Company will provide a summary of the survey results to IAPD when the association has determined a sufficient number of companies have responded.

We are available for any questions regarding this agreement at 816-363-8700. Please address these questions to Clark Hanner.
