

NAM COVID-19 Update
April 16, 2020

The Paycheck Protection Program is now out of funds. The NAM is calling on Congress to authorize additional funding for this critical program. Too many small manufacturers are short on time and money, so we can't afford a delay.

Your member of Congress needs to hear directly from manufacturers and their employees. Use [this tool](#) to send a prewritten message to your member of Congress. You can also share it with your employees, colleagues and friends. The louder the manufacturing voice, the sooner Congress will act.

Here is another resource you might find helpful:

Recap of NAM Webinar on COVID-19 Impact and Cash Flow Practices

A recording of Wednesday's webinar featuring NAM Chief Economist Chad Moutray and directors from BKD reviewing the current state of the economy as well as a cash flow planning model is available [here](#).

Please keep visiting the regularly updated nam.org/coronavirus site for the latest information, including state-specific resources, and email our Response Team at responseteam@nam.org with any questions or feedback.

Best,

Jay

President and CEO
National Association of Manufacturers
